Superintendent's Highlights

Dr. Bauscher, Superintendent was pleased to report the 2000-2001 school year was one of high achievements for the Marsing Joint School District students and staff. Staff members received honors such as National Board of Professional Teaching Standards Certification, Idaho's Social Studies Teacher of the Year and two of our staff members were honored in Who's Who Among America's Teachers. Our High School earned the "School of Merit" status for 2000-2002. At our Elementary School the 3-4 Language Academy, implemented this school year, proved as successful as the K-3 Language Academy that was already in place.

We have continued in our efforts to improve our facilities. The VoAg greenhouse was relocated to its new position and the VoAg building itself continues to be upgraded by the students. We purchased new bleachers for our football field and are able to increase seating capacity by 36%. We have many future facilities improvement projects planned.
